**Factory** : Schneider Electric Industrie Italia S.p.A. – via Circonvallazione est, 1 – 24040 Stezzano (BG) – Italy

I undersigned declare that SCHNEIDER ELECTRIC branded products as listed above when subject to correct installations, maintenance and use conforming to their intended purpose, according to applicable regulation, to the manufacturer's instruction and to accepted rules of the arts:

- Comply to **EN 60670-24:2013** in conjunction with **EN 60670-1:2005**
- Comply to **EN 61439-3:2012** in conjunction with **EN 61439-1:2011**, judged suitable for **outdoor installation**.

Products therefore:

- Have, according to the IEC 62262 standard, a degree of protection against external mechanical impacts (IK code) equal to **IK09**.
- Have, according to the IEC 60529 standard, a degree of protection provided by enclosure (IP code) equal to **IP65**.
- Have been subjected the UV test of **ISO 4892-2**, Method A, cycle 1, with a test period of 500h.

The product can be therefore used in Outdoor installation without particular prescription. **Anyway, in order to ensure a longer useful lifetime, it's suggested to place the enclosure under a roof to limit exposition to direct sun, and other atmospheric agents.**
