

APC NetBotz™ Security and Environmental Discontinuation Announcement

NBRK0250

APC NetBotz Rack Monitor 250A

The cost-effective and essential sensing, access control and instant alerting for IT environments of all sizes where IT rack space is available.

Latest Features & Enhancements:

Same form, fit, and function of the NBRK0250 and now includes the updated embedded Network Management Card 3.

Supports up to 42 wired sensors.

Appliance includes integrated access control and door contact sensor ports.

Schneider Electric will continue to support end of life (EOL) products for 60 months after the End of Sales date. Following this, the product will then be unsupported. See below for transition and discontinuation timeline details.

Existing Model	End of Sales Date	Alternative model	Launch Date
NBRK0250	June 03, 2023	NBRK0250A	May 3, 2023
